

# Aspetti regolatori: panoramica europea

Luca Angelino

European Geothermal Energy Council

Roma, 6 Novembre 2013

Co-funded by the Intelligent Energy Europe  
Programme of the European Union

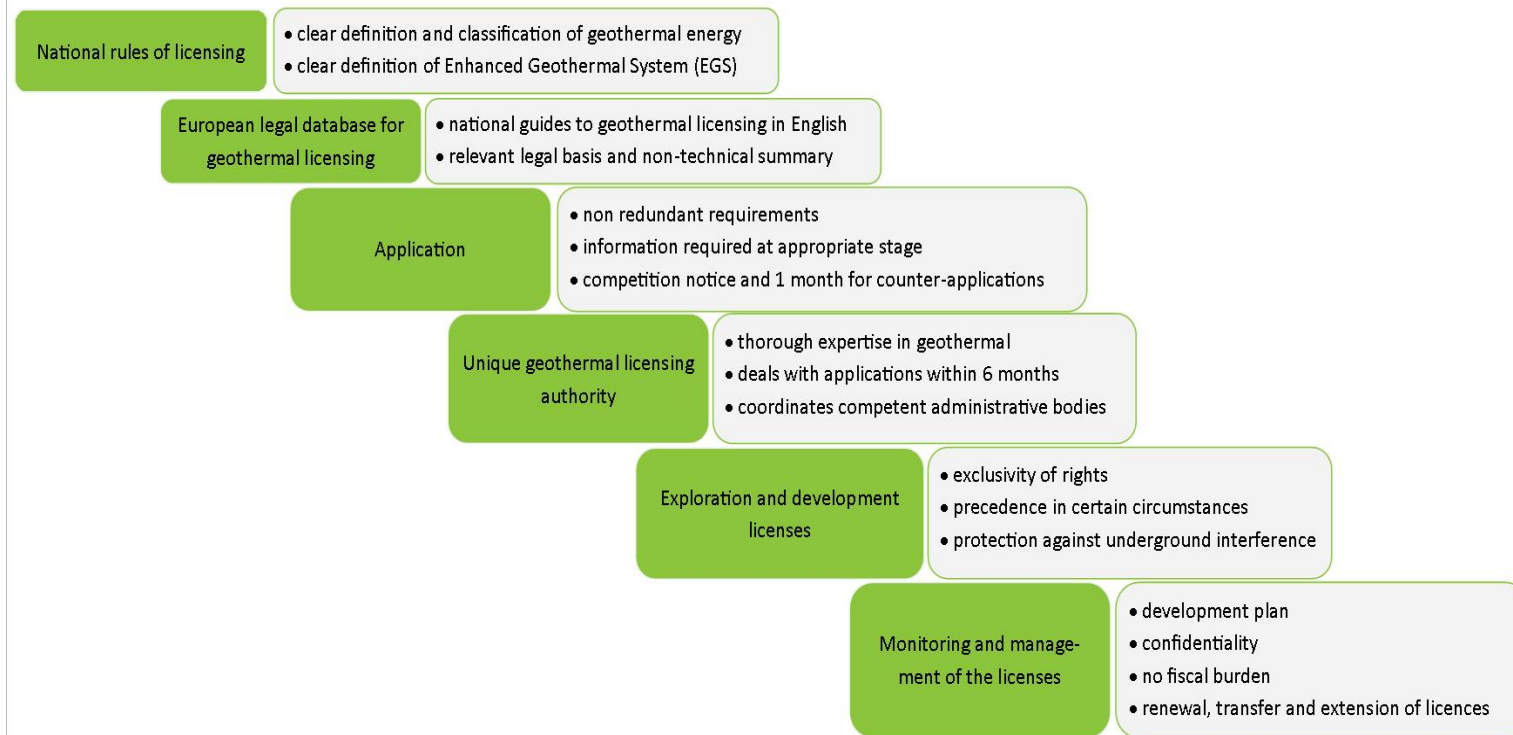

# Barriere normative

- **Molti paesi europei ancora devono stabilire un quadro normativo per la geotermia**
- **Ci sono ancora barriere normative che determinano ritardi e aumentano incerteze e costi**

# Barriere normative

An advised licensing process was developed within GEOELEC:
